

Daly City Record

Published Thursday DALY CITY, SAN MATEO COUNTY, CALIFORNIA THURSDAY, OCTOBER 18, 1945

VOL. 41, NO. 37

Map Of The New Edgewood Terrace Subdivision

The above sketch shows the site of the newest residential district in Daly City known as Edgewood Terrace. Each street name ends with the word "wood," with the exception of the extension of Vista Grande avenue, which has been named East Vista avenue.

Of the 202 homes being built all have been sold, even those for which the concrete has just recently been poured.

Stoneson Brothers, the contractors for the above tract, announced that in

approximately 30 days, work will begin on 250 homes in the \$6500-\$7500 range to be built very close to the westerly city limits of Daly City. They have purchased enough of the ranch lands west of Junipero Serra boulevard to eventually erect 1000 homes in that vicinity.

The Doelger company also plans to erect 4000 homes in the north western section of the former Spring Valley Land company property, also adjoining Daly City limits on the west.

Buri Buri Ranch Sale Inaugurates Building Program South of Colma Near El Camino Real

According to a deed of sale filed with the county recorder recently the Buri Buri ranch, consisting of more than 260 acres, located south of Colma and west of El Camino Real, was sold to a San Mateo syndicate for more than \$245,000.

Lloyd C. Simpson, J. Frank Barrett, H. H. Hilp and two unnamed investors formed the syndicate which bought the property from San Francisco Bank. Simpson and Barrett are San Mateo builders.

Construction of a \$10,000,000 community of more than 1000 homes, complete with parks, schools, churches and business buildings is contemplated by the syndicate. Simpson, who heads the new group, declared street work and placing of utilities will start November 1. A survey of the property has already been completed. Prices of the homes will range from \$7000 and \$12,000.

Magnus Hammar Back on Job At Service Station

The Record takes this opportunity to welcome home Magnus Hammar, proprietor of the Shell gas station at 6098 Mission street after two years service with the 1st Air Force, U. S. Army.

Hammar is back on the job at the service station and cordially invites his friends to come in and say "hello." At the same time he wishes to thank the many customers who have continued their patronage during his absence, for their good will and to extend to them his assurance that he will continue to give them the best possible service as has always been the custom of this up to the minute service station.

Sergeant Stampanoni Receives Discharge

Sergeant Angelo Stampanoni jr., son of Mrs. Palmira Stampanoni, 98 San Pedro road arrived in San Francisco aboard the USS Admiral Rodman Wednesday, October 3.

He was immediately sent to Camp Beale, Marysville and was discharged Sunday, October 7.

Robert D. Clark Serving Aboard U.S.S. San Francisco

Aboard the USS San Francisco—Robert D. Clark, 25, chief watertender, USN, 393 Bellevue avenue, Daly City, serving on this flagship in Admiral Kincaid's powerful 7th Fleet, helped support the landings of American occupation troops in Korea and helped in the evacuation of prisoners of war from southern Korea.

The San Francisco, heroine of the battle of Guadalcanal and holder of one of the great combat records for warships, stood off shore with her sister ships on the first day of the occupation, ready for any eventuality. On the second day of occupation, after safety was assured, the crews took sun baths, played volley ball, did calisthenics, and participated in other recreational activities.

The San Francisco took part in 17 major actions from Pearl Harbor to Tokyo. She sank or helped sink nine Jap warships and shot down 13 planes. At Guadalcanal, she sustained 45 hits, 15 of major caliber, but remained afloat.

Chief Clark is the brother of Mrs. Pearl Caine, 393 Bellevue avenue.

S.S.F. Judge Fines Hog Ranchers \$250 Or 50 Days in Jail

Justice of the Peace R. A. Rapsey of South San Francisco found five Colma hog ranchers guilty of violating the county's hog ranch licensing ordinance and fined them \$250 or 50 days in the county jail. However, a stay of execution for five days was granted as Attorney Bullock, representing the ranchers, announced his intention to appeal the judges' decision to the superior court.

Prosecution of some 35 other hog ranchers, also charged with violation of the licensing ordinance, will be delayed until the superior court passes on the proposed appeal.

Fined were Emil Lombardi, Hugo Paoli, J. Lamori, Thomas Callan and A. Del Grande. Lombardi, who originally had pleaded guilty, entered demurrer through Bullock when his attempt to withdraw his plea was denied, and charged the county ordinance is "unreasonable, discriminatory and violates the 14th amendment to the United States Constitution." Bullock pointed out the ordinance provision exempting ranchers with 40 or less hogs from licensing, is discriminatory and violates the constitutional amendment, in his demurrer.

Wyckoff, for the county, presented photos and other evidence showing the hog ranchers allegedly violate county health provisions and have been operating without required licenses.

After Lombardi's appearance as initial defendant, Bullock and Wyckoff agreed by stipulation the same evidence for prosecution and defense would be presented in the other four individual cases.

Abatement proceedings against hog ranchers in the county, have been forwarded by county supervisors to the county planning commission for study and action. Two

Grand Officers To Visit Druids

On the evening of Friday, October 19, Grand Marshal E. N. Marelli of San Francisco will officially visit Olive Grove, Druids.

Noble Arch Eugene Rodgers, who will be the presiding officer for the evening, has made all preparations to receive the grand officers and visiting members.

The social committee has made arrangements to entertain those who will be present.

Mothers Club To Hold Whist

The Mothers Club of Our Lady of Perpetual Help school will hold a benefit whist for the coming bazaar at 601 Hanover street on October 19 at 8:30 p. m.

Mrs. L. Marriscola and Mrs. H. E. Watt will be cochairmen for the affair.

R. G. Anderson Served on Attack Transport Ship

On the USS Rutland—Robert G. Anderson, seaman, first class, son of Mr. and Mrs. G. E. Anderson 568 Bellevue avenue, Daly City, served on this attack transport as she carried troops of the 1st Cavalry Division into Tokyo Bay on the morning of September 2, the day of the formal Japanese surrender.

The Rutland took part in the Iwo Jima and Okinawa campaigns.

abatement suits are now on file in superior court by the planning commission. The most recent suit names the Olcese ranch in Colma as defendant.

Income Tax Aid To Be Given Vets

Discharged veterans unable to pay income taxes within the period of deferment provided by in the Soldiers and Sailors Relief Act will be dealt with in the matter of collection in a cooperative and sympathetic manner, James G. Smyth collector of internal revenue for the first California district said today in San Francisco.

The period of deferment is six months after the discharge. Partial payment, geared to the financial resources of the serviceman or woman will be accepted.

Veterans and returning service personnel who have Federal Tax problems are invited to consult with the nearest deputy collectors of internal revenue for advice and assistance in preparing income tax returns the collector said.

Is Discharged After Eight Years Of Army Service

Charles B. Case, husband of Inez M. Case, 121 South Parkview avenue, has been honorably discharged from the Army after more than eight years of service, according to recent announcement from his unit headquarters.

Entering the Army in August, 1937 T/Sergeant Case served two years overseas as radio operator with the Army Air Forces, including service in the South Pacific and Europe.

He has been awarded the Asiatic, Pacific and European theatre of operations ribbons.

His last duty station was with the 1503d AAF Bu, WCW, PACD, ATC, Hamilton Field and he received his discharge October 9, 1945 from Camp McClellan.

Unified Command

We notice that the House rejected by an overwhelming margin the proposal to create a unified command of our armed forces. Not being military experts we can't say whether all branches of the service should be under one head or not. It will be recalled, however, that the Pearl Harbor report indicated that one of the causes for that disaster was the lack of proper coordination and cooperation between the Army and Navy.

Prior to last year's presidential election, President Truman, then a vice-presidential candidate, wrote an article urging the establishment of a unified command. The fact that Mr. Truman favored the idea does not necessarily mean that it should be adopted. But apparently at the time he expressed himself in print there was a strong feeling in Washington that such an arrangement was desirable, if not essential, to avert further possible fiascos that might be made possible if the "brass hats" in the different branches of service failed to cooperate in the future.

Why Congress has now turned so sharply against the plan we don't know. We hope, however, that the lawmakers are not drifting into the type of "peacetime thinking" that caused them to keep our armed forces at a minimum until the danger was upon us and made them refuse to fortify our Pacific outposts such as Guam back in 1939.

Back Home and—Flushed!

The long siege of those who were held in Jap prison camps now turns out to have a silver lining—or should we say, a gold lining. Anyway, while they were marking time in captivity their pay checks kept piling up. Now they are returning to this country with their pockets well filled with that "stuff" that everybody seems to like.

Recently 141 civilian workers who were captured on Wake Island arrived home with \$600,000 to their credit. As we figure it, that's more than \$4000 apiece. We don't doubt that any one of them would gladly exchange the money for the years they spent as "guests" of Hirohito, but since that can't be done the cash is not bad to have around.

Some of the prisoners, incidentally, were able to keep in touch with the current events through radios which they made secretly and kept concealed. But the majority of them were completely cut off from news of what was going on in the world.

As a result, Harry Truman was unknown to most of them. They didn't know what a G. I. is. They had never heard of the V-1 or the V-2 rocket bombs, or of the scores of other things that became so familiar to us during the conflict. Yes, this must seem like a strange new world to them.

Keep Dwellings Livable

With labor and price difficulties casting a shadow over the home building program America is turning her attention toward preserving and improving existing dwellings until construction can get under way on a large scale. The Federal Reserve Board has moved to help in this direction by removing restrictions on the financing of home repairs and reconstruction. Banks will now be able to lend larger amounts for longer periods of time for this type of work.

Probably there never was a time when American dwellings as a whole were more in need of painting and repairing. The manpower and material shortages imposed by the war have caused a great deal of unavoidable maintenance neglect. Yet, with housing already overcrowded and with millions of servicemen returning home in the months ahead the need of keeping buildings in a livable condition was never greater. In order to help in this urgent task California's statewide branch banking system has made large sums available at low interest rates for improvement loans.

The arrival of autumn and the approach of the winter rainy season will also make roof repairs and similar work essential on many buildings. Like our cars, our dwellings may have to last us for some time yet. We'd better take care of them.

Streamlined Congress

If the expected recommendations of the joint Senate-House committee for the reorganization of Congress are followed there will be a drastic cut in the number of Senate legislative committees from 35 to 13, and of House committees from 46 to 16. This would go far toward streamlining Congress' present antiquated machinery. It is also urged that a pension system be created for congressmen and their salaries be increased from \$10,000 per to \$15,000 or \$20,000.

Cubbies Enjoy Movies at Their Monthly Meeting

Cubbies, Pack 141, held their regular monthly meeting last Friday, October 12 at the old Vista Grande school site, Mission street and Parkview avenue.

A. W. Dimond, "Den Dad" of the newly organized Den No. 3, constructed an entrance sign to be placed at Camp Boy Joy. The boys of this den had the pleasure of presenting this surprise gift to the pack.

A floodlighted area was prepared at the school site for many group games to be played. Refreshments were served from the pack mobile canteen. Only part of the meeting was held here however.

Ceremonies were held in the church after which one half hour of moving pictures, "Commandos in Action" and "Gay Nineties," were shown. The humor portrayed by "jay walkers" and "horse cars" in the pictures gave the boys many laughs.

New campaign bars which are to be awarded to the boys for their contributions to the Camp Boy Joy building fund, were exhibited. Most of the cubs signified eager intentions of earning one or more of these bars.

Another touch of levity was added to the meeting when Scout Donald Heissenbottle brought in another batch of kittens to be sold for camp building funds. Don seems to be well on his way to earning a campaign bar from kitten profits alone.

Bobby Bledsoe has been enrolled as a new member of the group. Another young chap receiving his wolf cub badge was James Stevens of Den No. 6.

A new cub den is to be organized in the northeast section of Daly City. Meetings will be held at No. 5 firehouse. Boys in that area wishing to join should contact Mrs. John S. Calvin, 81 Partridge lane.

Crocker P. T. A. Sewing Group Met October 16th

Crocker PTA sewing group met at the home of Mrs. Julia Jordan, 576 Bellevue avenue, Tuesday, October 16 at noon.

Before the members started sewing for the bazaar the hostess served sandwiches, cake and coffee.

Those present were: Pansy Montano, Vivian Pahlka, Lillie Cavagnaro, Olga Bordson, Eva Hobbs, Ruth Morris, Virginia Davidson, Florence McKay, Mildred Seiler, Sarah Nordgren and Frances Haussler.

Mrs. Frances Haussler was appointed as a delegate to represent Crocker PTA at the District PTA meeting held at Jefferson Union High school, Thursday, October 18.

The next sewing meeting will be held at the home of Mrs. Olga Bordson, 614 Templeton avenue, Tuesday, October 23.

Mrs. Rose Mitchell Passes Away Here

Funeral services were conducted from the mortuary of W. C. Lasswell and company, 6154 Mission street, Saturday, October 13 at 2 p. m. for Mrs. Rose Mitchell who passed away at the home of her daughter Mrs. Anna Bencharski, 370 Hillside boulevard Wednesday, October 10.

She was the wife of Carl Mitchell, mother of Stanley and Frank E. Viscount and Mrs. M. Bencharski, sister of Mrs. Katherine Paulubinsky, grandmother of Robert R. and Austin C. Vincourt.

Interment was at Olivet Memorial park.

OPA Reminds Used Car Buyers To File Papers

W. H. Brunner, district OPA enforcement executive, recently reminded used car purchasers that they are liable to heavy penalties for failure to file certificates of transfer with their local price and rationing boards within 10 days after the purchase.

During the period gasoline was rationed buyers filed certificates promptly in order to obtain their mileage books, Brunner pointed out. "Possibly, now that gasoline rationing has been lifted, buyers do not realize that the filing is still required by OPA, and that a maximum penalty of one year imprisonment, \$10,000 fine, or both may be imposed for failure to do so.

"An audit of used car, truck, and motorcycle sales is now being made by the OPA enforcement division in this area, and drastic action will be taken against those who have

New Arrival At S. A. Larson Home

Mr. and Mrs. Sanford A. Larson, 448 Santa Barbara avenue are the proud parents of a daughter born Monday, October 1, in the St. Francis hospital. The baby weighed 7 pounds 8½ ounces and has been named Catherine Ann.

Kills Grub

Heel fly larvae, commonly called "warbles" or "wolves," may be controlled by injecting about 20 drops of commercial benzol into each hole made by them in the cow's hide. The benzol kills the grub. A small oil can has been found suitable for injecting the liquid into the holes. Benzol is highly inflammable and should not be exposed to fire of any kind.

failed to comply," Brunner disclosed. "The seller, whether a dealer or individual, fills out and signs the certificate which is then filed by the buyer. We have had excellent cooperation from local dealers, who, for the most part, have been completing these forms and delivering them to the buyer. It is the purchaser who is not following through."

Filing of the certificates protects both seller and buyer, the enforcement chief pointed out, and is important in the fight against sales of used cars at over-ceiling prices.

NOTES FROM JEFF HI

Assembled by Hazel Hendrickson
Of the Totem Pole Staff
Jeff vs. Centerville

A second practice football game was played with Washington High school, Centerville, Friday, October 12.

During the first quarter of this game the boys from Jeff put on a fine example of high school football, even though their opponents outweighed them 20 pounds to a man; but from the time Washington made their first touchdown to the final gun, the Indians were unable to recapture and maintain the fighting spirit that wins football games. Final score, 25-6.

We hope that the coming game with Palo Alto, Friday, October 19, will prove to be the turning point in the Indians' career. Everyone seems to agree on one point, that we have the material to make a winning football team. The next two or three weeks should tell the story. The game with Palo Alto will be the first league game of the season.

120's

Thursday, October 11, the 120 and 110 basketball teams of Jefferson had their first league tilt at San Mateo. The Mateans won 19-13.

The teams in the league are Jefferson, San Mateo, South City, and Burlingame.

The starting lineup for Jeff, Thursday was: Barras and Robinson at forwards, Harper at center, and E. Gigli and Shannon at guards. Shannon was captain and also was one of the high point men, while Harper was the other. Subs were Gigli and Garcia.

110's

The 110's of Jeff won their first game of the season Thursday, October 11, by a score of 19-14. The starting lineup was: Silacci and Laumond at forwards, Michelletti at center, Attenisia and Stanghellini at guard. Captain was Michelletti; high point man was Silacci. Sub was Canepa.

Jeff Varsity Bows to South City in Practice Tilt

With thrills, spills and sometimes chills, the Jefferson Indians opened their 1945 football season playing a hard fought game against South City's warriors on Jefferson's field, Friday afternoon. Reading by score alone, the game was safe with South City until the third quarter, but every spectator who watched considered it a much closer game than the score indicated.

Good old fashioned straight football was used during most of the game, with Jeff relying on line plunges and passes, while South City used sweeping end runs and a few long passes.

The first touchdown was scored on the opening kickoff, South City taking the ball on their own 35 yard line and with plenty of interference running 65 yards for a touchdown. This was probably the outstanding run of the game.

Jeff's line seemed rather weak on defense during the first half of the game; but during the second half, they rallied to stop the Warriors cold. In fact during the second half, not one first down was made through the line by South City.

Jeff's pass offensive gained most of the first downs during the game with Grimes and Tikkanen passing to Plyer, Sieler, Selvidge, Mossi, and Wedel. Later in the game Grimes was switched to end where he caught a touchdown pass over center. Incidentally both of Jeff's touchdowns in the third quarter were passes over center, one going to Plyer and one to Grimes. Some of the outstanding plays during the game were Plyer's pass catching and running; Grimes' passing and pass catching; Tik's passing and Tromborg's plunging. Mundy showed up well on offensive and defensive. All the boys should be given credit for the fighting spirit they displayed at all times during the game. There were a few errors committed in the game, which the boys hope to eliminate as they become more experienced.

Jeff Papooses

Win One, Drop One

All of this year's 120's have had some experience on last year's team. Four of them were "blocks" last year.

In their first game against Commerce, this season, they seemed to be lost and didn't know just what to do. In their next contest against Commerce, they picked up a little and won 15 to 11.

The starting team was Barros

and Robinson, forwards; Harju, center and game captain; E. Gigli and Shannon, guards. Robinson was high point man. Substitutes were J. Gigli and Garcia.

Thursday, they were defeated by St. Ignatius, 15 to 16. The starting team was Barros and Harju, forwards; Robinson, center and game captain; E. Gigli and Shannon, guards; substitute was J. Gigli. High point man was Harju.

110's Lose Three Heartbreakers

By Walter Shannon

They're having a hard time getting started, but they are improving very rapidly. There is only one Indian on the team who has thrilled Jefferson fans before. He is Leland Micheletti who played on last year's 110 team. The rest of the Papooses are new to Jefferson fans and most of them are new to the game also. The team has not tasted victory yet, but they have run their opponents a close race.

Last Tuesday they were defeated by St. James, 11-9; and on Thursday by St. Ignatius, 11-17.

Chorus Prepare Programs

Thirty voices in the mixed chorus have already started their Christmas music. They are also working on overtures for a band concert. One of these is "The Barber of Seville" by Rossini.

The chorus sang for the Jefferson PTA program on October 18, around noon and for the PTA mothers and fathers, October 16, in the evening.

One unit to be completed by the chorus is a group of songs on world peace. One of these songs is "One World." Another song in this unit, "How Lovely are the Messengers" is by Mendelssohn. The text is from Isaiah.

These songs were sung at the October 18 PTA program. Also, Mr. McCarthy played a flute solo.

Hija Joe

Second Lieutenant Ken Hatt visited school last week. Ken, past president of the student body, graduated from Jeff in June '44. He received his training at Fort Benning, Georgia and has been stationed in Louisiana. After his furlough, Ken will probably head for Japan.

Former Jeff graduate, Don Nelson, now of the U. S. Army also visited Jeff last week. He remarked that school was very changed and he hardly recognized any of the teachers. He also said that he noticed many other changes. Don has been stationed in Virginia and after his furlough expects to go to Missouri.

Ralph Capps, graduate of June '43, now in the U. S. Navy, was here at Jeff last Friday. He has been stationed on a mine-sweeper outside of Treasure Island for two years. He has gone a little north and a little south on patrol duty, but as yet has seen no overseas duty. He is expecting to go to China.

J. N. S. Holds Meeting

J. N. S. held an early meeting last Thursday morning with Miss Philbrick, adviser. The new officers this term are Art McDonald, president, and Virginia Bhend, secretary.

First Rally Shows

Plenty of Spirit

October 5, six contestants staged a "peppy" rally, during which Alice D'Isip, Lorlia Barghini, and Roberta Marable, the three new assistant yell leaders were chosen by the committee. The contest was unusually close. Head yell leader Colleen Robin presided.

Mr. McCarthy and his band opened the rally with "Strike Up the Band." Fifteen rahs for the band.

Coming Assemblies:

Take Notice

A rally for the Palo Alto-Jeff football game will be given Friday, October 19 in the gym.

Frank Beckman, head of the Beckman Hollister School of Public Speaking, noted public relations expert, will be featured in the October 23 assembly.

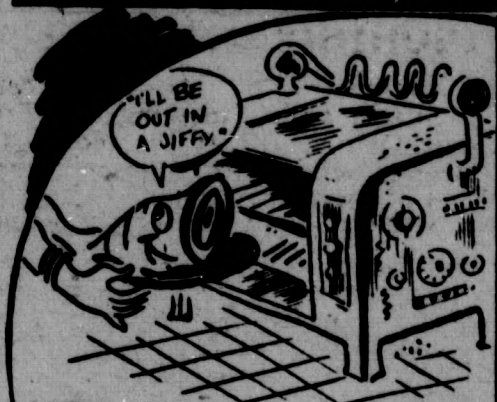

Impersonator Luba Sharon will appear on October 30.

Outside Sports

Outside sports have boomed this year, with our first news from the St. John Bosco club of Colma whose moderator is Father McElligot of Holy Angels church. The club includes about 18 Jeffersonians who are Al Puricelli, president; Lee Micheletti, vice president; George Ricconi, treasurer; Bob Lazzarini, sergeant-at-arms; Nathan Agresti, Mario Stanghell-

Corporal Merino Gets Discharge From U. S. Army

Over three years of Army service here and overseas brought a number of laurels to Corporal Roberto Merino who was discharged with honors from the Army October 10. He is the son of Mrs. Magdalena Merino, 714 Niantic avenue.

Merino enlisted in the Army Air corps at Fort Worth, Texas in November, 1942, had his rigorous basic training at Shepherd Field, Texas, at an air base in Richmond, Virginia and Camp Blanding, Florida. He was then sent to North Carolina where his squadron, the 84th Fighter Wing was organized. On January 22, 1944 he left the port of embarkation at New York for overseas duty.

Merino wears the European theatre of operation ribbon with six stars for participation in the battles of Normandy, Northern France, Rhineland, and the air offense of Europe. He also has the Belgium Fourragere citation from the Belgium government, the highest award given by Belgium, and the good conduct medal.

He arrived in New York on October 3 and was immediately sent to Camp McArthur for discharge.

Aid to Health

Sound teeth and a healthy mouth are vital necessities for general good health and fitness. Four guideposts to dental health are (1) eat a balanced diet of basic seven foods, (2) keep your mouth and teeth clean, (3) be sure your teeth get exercise and (4) see your dentist at least twice yearly for checkups.

Where formerly it was thought that a clean tooth never decays, scientists have now proved that no matter how clean your teeth are, you will not be assured good teeth unless you eat the right foods. The basic seven foods can be your guide to an adequate diet that will be conducive to good dental health.

lini, Silvio Menicucci, Lewis Merlo, Al Lagomarsino, Rico Ottonello, Ray Settrini, Roy Ottoboni, Howard MacDonald, Jim Silacci, Johnny Olcese, Aldo Canepa and Joe Lunahi.

These fellows have been playing basketball and baseball in the CYO league for the last two years. This year Father MacElligot intends to have three light weight divisions at 70 pounds, 90 pounds and 120 pounds.

Women of Moose Give Banquet For Grand Officer

Thursday, October 11 at 6 p. m. the Women of the Moose held a banquet for junior graduate grand regent of the college of regents, Bessie Lovett of Long Beach, California.

She spoke briefly on the order's new duties, to help the returning servicemen and women.

The chapter initiated two candidates, Mrs. Lois Coffey of 1161 Hanover street and Mrs. Beel who transferred to this city from Ohio.

The draping of the charter was in memory of a departed member, Mrs. Jean Anderson.

Mrs. Vivian Lasko was installed as guide for the remaining part of the year.

Senior Regent Marie Stella announced the bazaar will be delayed two more weeks, but it will definitely be held Friday, November 9 in the meeting hall at 26 Seventh street.

Cake and coffee were served following the meeting, on a lovely decorated table.

The officers meeting was held at the home of the alumni chairman, Mrs. Florence Beckers, 3902 26th street at 8 p. m. Tuesday, October 16.

Fertilizing Wheat

The first 200 pounds of fertilizer used on wheat will produce an extra 6 or more bushels per acre. The next 200 pounds will produce about one-half the increase the first 200 pounds made, so \$6 to \$8 per acre for fertilizer may easily double the money in increased value in wheat.

FOR RENT—To a working couple or two working women, two single connecting rooms newly decorated, nicely furnished. Kitchen and bath to be shared with two other persons. No drinkers. Inquire at John J. Fahey's Real Estate office, between 10 a. m. - 5 p. m.

VISIONARY STYLING

Self-sufficient basic line of the black bengaline worn by CBS singing star Vera ("Viva America") Holly assumes siren or demure formality as accessories point up imaginative details. Vera interchanges the glorifying diamond clips and pendant earrings which stress neckline news with a demure pink rose at the draped hip of the Pauline Fields design for Fred Greenberg Fashions. Either mood accepts the Covell original hat of shining clipped ostrich.

L. W. Martinelli Writes Home Of Jap Surrender

The following is a copy of a letter received by Mr. and Mrs. Laurino Martinelli, 7 East Market street from their son Lorrin W. Martinelli, seaman, first class who was aboard the USS Sherbourne in Tokyo Bay when troops were landed for the occupation of Japan:

"Sept. 2, 1945.

Dear Mom, Dad and Bob:

Boy, tomorrow is going to be one of the greatest days of my life. At eight in the morning we are going to anchor in Tokyo Bay. We are the first troop transport convoy to reach Japan.

As long as I'm in the Navy I'm certainly glad that I have this opportunity of being here at this time. It sure will be something to talk about in the future. You can see that there will be plenty of excitement around here in the next few days.

Will add to this letter, as we are on the jump these days.

Sept. 3rd.

Gee folks what a sight. A few hundred yards from us, here in Tokyo Bay, the peace terms were signed and that was the final touch ending this war.

After General MacArthur signed the Peace Treaty for the United Nations, it was wonderful to see all the Jap surrender flags—with our own stars and stripes flying high and proud above them. To top this great event, all our American planes flew overhead in a great V for Victory.

The feelings we boys had can't be explained or written. It's something we will remember the rest of our lives. Right now we are all still tongue tied and can't express ourselves, but from the little I've written, I hope you folks can imagine our feelings. That the war is really over and that we were really so close to all the important events that went on here.

By the time you get this letter you will have read all this in the newspapers and I'm sure they will give full details of all these events.

Sorry my regular letter was a short one last night, I wasn't feeling very well and had to go to sick bay.

Received your letter telling about the celebration after President Truman first announced the surrender of Japan. Wish I could have been home to help celebrate, but if I were I would have missed the most important event of my life. Imagine being so close to where history was made.

Even though I'm in sick bay, I can see General MacArthur through one of the port holes. He was on the docks watching us come in, and is still there watching us unload.

Gee folks he really is someone to see and yell "Hello" to. He is so close you could almost talk to him, in fact even though I'm not feeling so well I consider it swell to be able to watch him, which I wouldn't be able to do if I were on duty. He is wearing his famous hat and has his cane, he certainly looks 100 per cent to us boys.

From what we saw from the bay and what we can see from our port hole the place here must have been beautiful before they were bombed. The docks and area around here weren't bombed, maybe because the Japs surrendered sooner than was expected.

No matter where we may roam we certainly have seen some beautiful scenery, beautiful sunsets, changable colored waters that you think are painted pictures. You can roam the whole world over, but to us boys here there is no place like home (Daly City).

Save these letters from Tokyo Bay, as they will be stamped with our transport name and number: U. S. S. Sherbourne, A. P. O. 205, Tokyo Bay. They also will have the Jap surrender flag stamped on them.

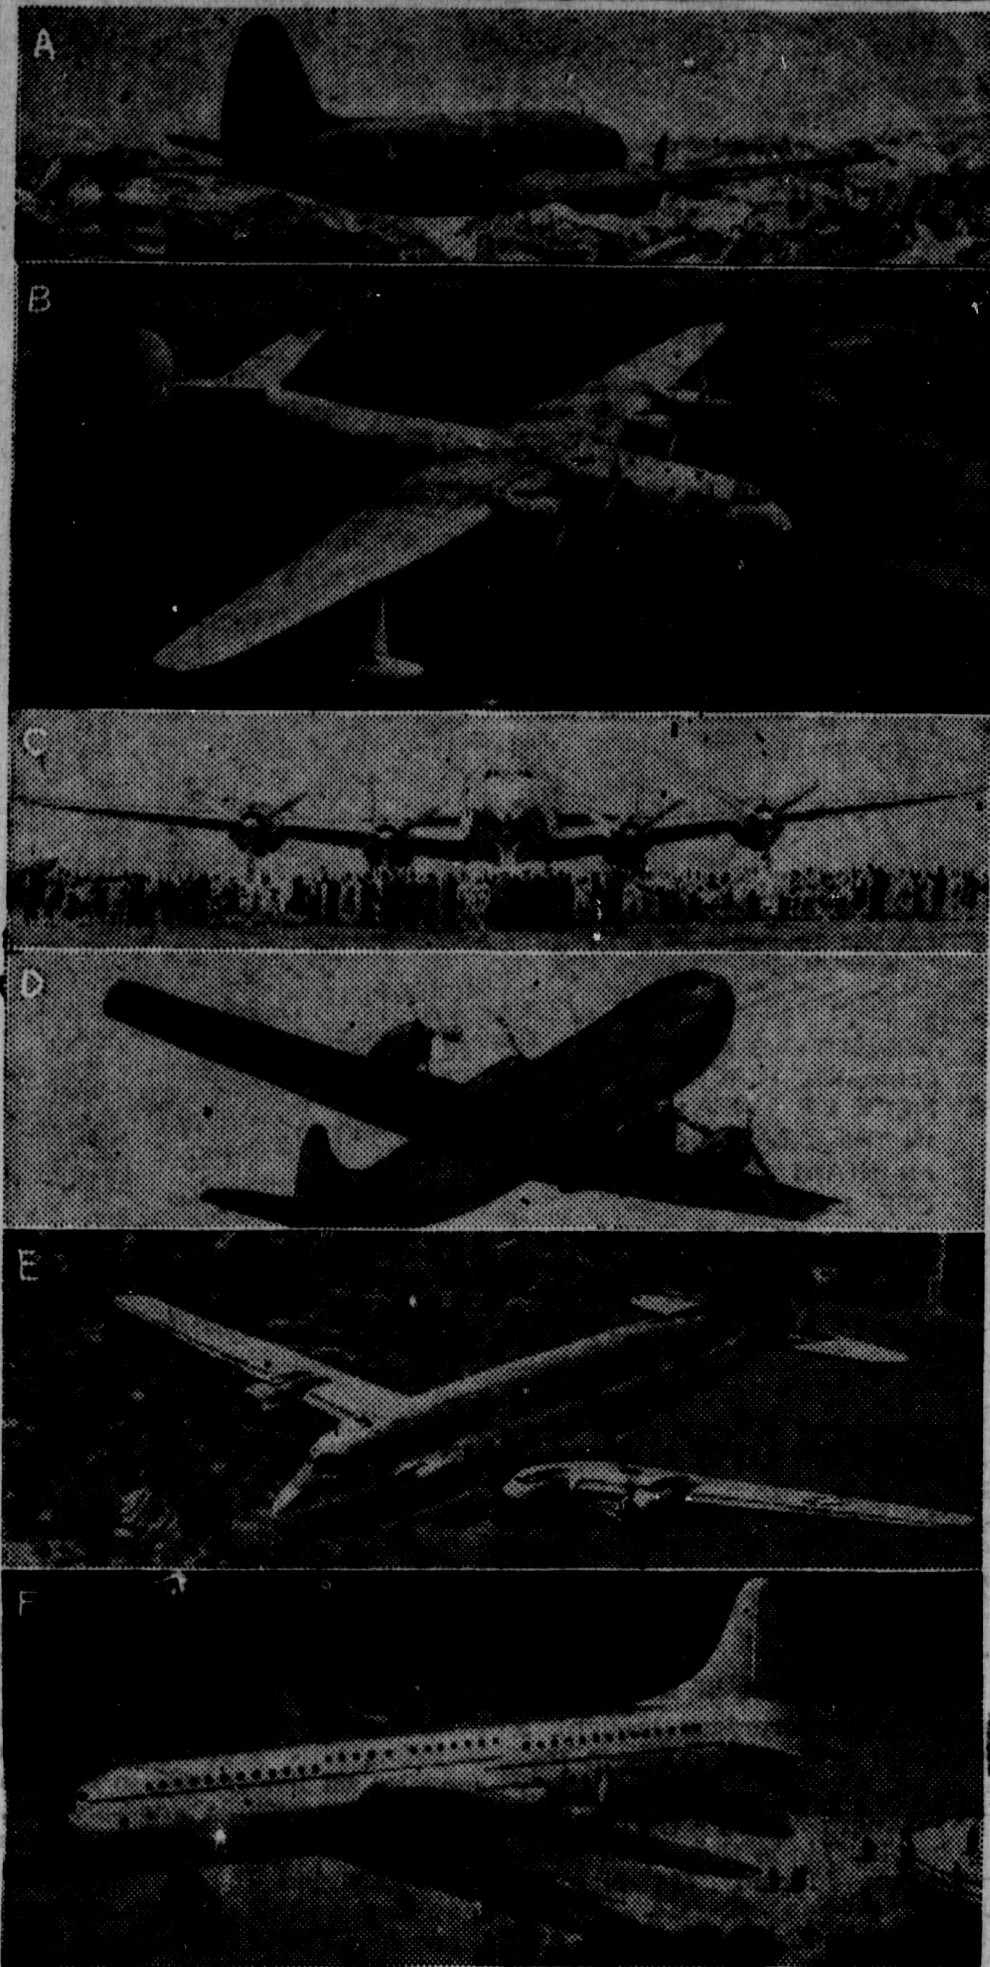

I have plenty more interesting things to tell you, but it would take pages and pages, so I'll save it until I get home, which I think will be sometime in the next few months (I hope).

Your loving son,
Babe (Lorrin)."

Increase Income

In the four years ending January 1, 1944, the highest increase in farm income occurred in the Great Plains states—North and South Dakota, Nebraska and Kansas.

PLANES YOU WILL FLY IN

AIRLINES are ready to swing into action with these models, most of them war tested, but brand new to civilian operations. a—Curtiss Commando (C46)—Largest twin-engine transport, gained war fame flying the "Hump." It will carry 36-45 passengers at 250 miles an hour. b—Martin Mars (JRM)—World's biggest flying boat. Cruising at over 200 miles an hour, it can carry 106 passengers with a payload of more than 14 tons for over 3000 miles. c—Lockheed Constellation (C69)—Giant war transport and holder of a transcontinental record, can carry 64 passengers or considerably more people than shown standing under its 123-ft. wing span. d—Boeing Stratocruiser (C97)—Crossed continent in just over 6 hours. This counterpart of the Superfortress will carry 90 passengers at 380 miles an hour. e—Douglas DC4 (C54)—Workhorse of war-time transport will be among first of newcomers to civilian use. Carries 44 passengers at 250 miles an hour. f—Consolidated Vultee "37"—Giant 204-passenger plane is 12 times size of present twin-engine airliner and will cruise at 340 miles an hour.

Mending Art

Mending is one of the humbler arts. The type and thickness of thread to be used is related, of course, to the fabric on which the mending is to be done. This fabric should be stretched taut and the hole filled in with a well spaced weaving. The weaving should extend into the fabric on all sides, so that the mended spot will have strength.

Silage Protection

To prevent freezing of silage on the surface, use a covering of old blanketing that just fits the area of the silo. You can flip the edge of the blanket away, take out what feed you need and return the blanket to place.

Save Poinsettias

Poinsettias can be saved over and brought into bloom again. All that is necessary is to cut off the top shoots to about six inches and store the plant in a cool place in the basement or fruit room where the temperature ranges from 40 to 60 degrees.

Speeds Up Detoxification

Wheat germ oil has the property of speeding up the detoxifying action of the enzyme, tyrosinase, on certain poisons resulting from auto-intoxication within the body.

Woman Governor

First woman governor in the United States was inaugurated in the state of Wyoming in 1935.

Popularized Peanuts

Peanuts first became nationally known as a result of the Civil war. Before and during the war they were grown only in a small section of Virginia. Union soldiers, fighting in Virginia, ate the Confederate-grown delicacy and liked it, thereby starting Americans to eating peanuts.

Sanitary Habits

Children may be taught that saliva contains germs of infectious diseases—such as colds, flu, scarlet fever, diphtheria, whooping cough—and that they should never drink after anyone else. They may be taught to turn away from the table or food when sneezing, to cover the mouth with a handkerchief when coughing, and never to eat food which has fallen upon the floor.

Security Organization

One of the most ambitious efforts at international organization before World War I was the second Hague Peace conference of 1907, called by Czar Nicholas II of Russia at the suggestion of Pres. Theodore Roosevelt to establish international co-operative machinery for the prevention of war.

Hot Breads

With hot breads, use a proportionally smaller pan or the bread will become too crusty; with muffins, put a little water into the unfilled cups of the pan as a protection.

Form Organization To Forward Vet Christmas Plans

At a well attended meeting Friday evening, October 12 in the council chambers of San Mateo City hall a new organization came to life. Appropriate of the time and the season just ahead of us the organization was named the Veterans' Hospital Christmas committee of San Mateo county.

As the name implies there is only one scope and one goal to attain, that is to bring to those boys who have given all but their lives so that we may enjoy our freedom and who are now lingering and suffering on hospital beds away from home, that small measure of happiness that is in our power to give. Small indeed a compensation for their sacrifice it is to ask of you citizens to contribute all you can, so that they may feel the spirit of the holidays. Remember perhaps some of you have sons of your own in some far away corner of this earth who would enjoy a deed of kindness at a time when it is most appreciated.

This is merely a first call for as soon as the various committees begin functioning, someone will put in a second call and that is the time we want you to be ready.

So do not relax and forget the boys and girls who are not as fortunate as you are this Christmas.

Speed of Sound

The speed of sound in air is affected by temperature and pressure. At 20 degrees Centigrade (or normal temperature), pressure 1 atmosphere, the speed of sound is 1,129 feet per second. At zero degree Centigrade and pressure 1 atmosphere, sound travels at 1,088 feet per second. When pressure is increased to 25 atmosphere and temperature remains at zero degree Centigrade, the speed of sound is 1,089 feet per second, proving that the change in pressure does not affect the speed of sound as much as the change in temperature.

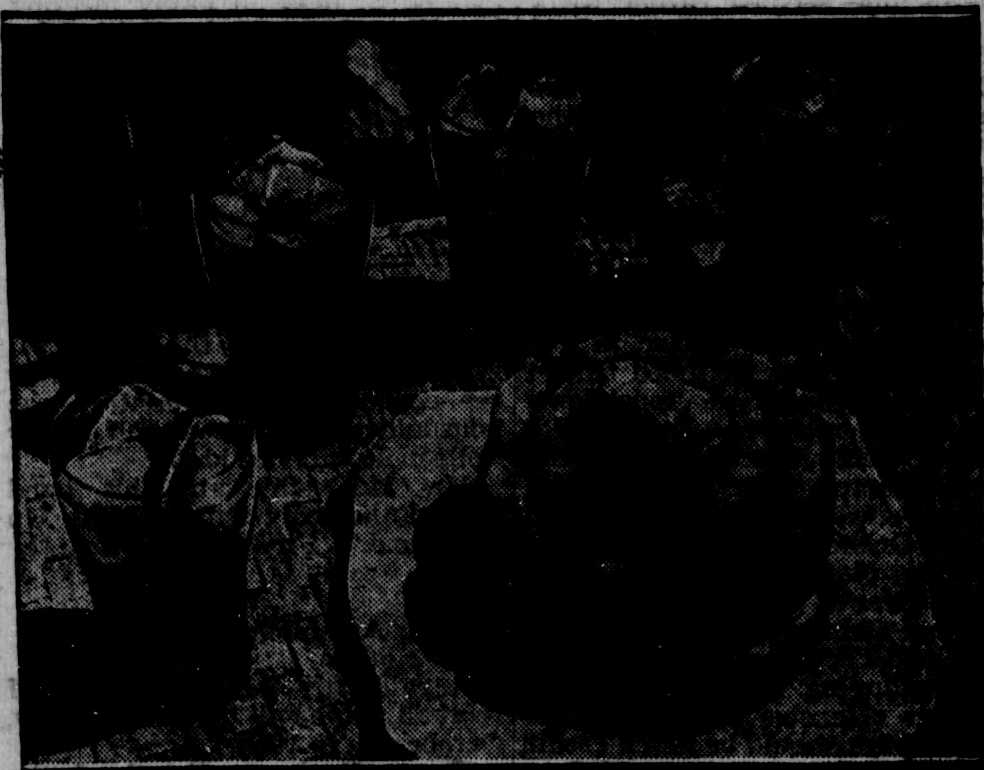

Plum Pudding

Serve the traditional plum pudding in its most enticing costume. To do this soak sugar cubes in lemon extract. Place the cubes on each plum pudding serving and touch a lighted match to these cubes. Bring the dessert to the table immediately.

Corn Bread

Steaming hot corn bread served with some of your homemade prune and tomato jam, together with cold sliced turkey and a salad, makes a wonderful Sunday night supper. It's a grand quickie, should unexpected guests descend upon you.

Ice Cream Sandwich De Luxe

EVERYONE wants to save time these days so here's a dessert that's a real "quickie" . . . Coffee Ice Cream Sandwich. You can pick up the makings at the store on the way home from work, and toss the whole thing together in a few moments. It's perfect for the family's dessert or to serve as party refreshments when you have the crowd in for a friendly get-together. Of course, you'll want to serve iced coffee, too, for a long drink just naturally "goes" with ice cream and cake.

When friends drop in on a warm Sunday afternoon, here's your dish . . . Coffee Ice Cream Sandwiches with iced coffee. Either store cake and ice cream can be used or if you have the time, one or both can be made at home. In order to give a new twist to an old favorite, we suggest using a round cake and cutting it in pie-shaped pieces. Serve with sliced peaches or melon if desired. Here is the recipe for Coffee Ice Cream Sandwich. It's tested, of course.

Coffee Ice Cream Sandwich
1 round plain cake
1 pint coffee
ice cream
Sliced melon
Sliced peaches or other fruit
Split cake in half. Cover lower layer with coffee ice cream and then with top layer of cake. Garnish with ice cream, sliced melon and sliced peaches or other fruit. Cut in pie-shaped pieces before serving.

SAFeway FIRST IN A LONG TIME CANNED FOOD SALE!

Yes, it's been a long time since we've been able to give you a real old-fashioned Canned Food Sale. But the time is here again when you can lay in a stock of top quality canned foods . . . all you want to buy . . . at prices that really save you money. So come in and look around. Safeway has all the brands you know and like.

News From The Grammar Schools

Jefferson

A music appreciation lesson was given to the first grade last Thursday which included various marches depicting activities of soldiers, Arabs, Chinese and flowers. These were studied for rhythm and harmony. At the conclusion of this lesson the children responded spontaneously and marched to the recorded music.

The 7th grade students have been busily working on their Air Travel booklets. Each student is doing his utmost to make his book neat and interesting.

The pupils in the 6th grade had a dramatized audience reading program this week. They read and enacted "For the Emperor of China." Lani Strong was the royal princess, Harold Callan, the emperor, and Faustini Quiteris played the boy, Hu Li.

On exhibition was a model boat of the "Santa Maria." Teddy Welp, the owner, discussed the history of the "Santa Maria" and emphasized the bravery of Columbus and his crew. John Patton then read Joaquin Miller's poem "Sail On."

The pupils at Jefferson Annex, in conjunction with their study in textiles have begun to learn the art of weaving. Each boy and girl is making his own loom, on which will be strung the threads for his belt; and into each child's belt will be woven his own artistic color scheme.

Crocker

Rooms 3 and 4 were shown a film entitled "Development of Transportation" during a recent social science period. This film correlated with the unit on transportation.

Marianne Costello of Room 3, and her family, spent last weekend at Butte Meadows.

The pupils of Room 4 were happy to welcome Ted Freeland to their class. Ted transferred from San Francisco.

In connection with Columbus Day celebration the pupils of Room 5 studied about Columbia, the South American country that is named for Columbus.

Barbara Marsh of Room 6, and her family, spent the weekend camping at Peninsula Beach.

Last week the pupils of Room 2 saw a film called "The New South." This picture showed the industrial growth in the south.

Woodrow Wilson

Room 4 received a film entitled "Air," which showed how aviation has mastered the obstacles of the air.

On Tuesday morning the pupils of the Woodrow Wilson Elementary school cleared their building during a fire drill in excellent time and in perfect order. They were proud their record was a good one as this week is Fire Prevention Week.

The boys and girls in Room 8 are studying the forests of the world. They are learning the different types of forests and the reasons why they are found in certain localities.

The boys and girls of the 6th grade are studying ships made of wood, propelled by man. The Egyptian galley which sailed down the Nile river and the Phoenician ships which sailed in the Mediterranean sea are examples of self-propelled ships.

The pupils in Room 12 heard the story of "A Hundred Pennies." Each pupil drew a picture to illustrate part of the story and these were exhibited about the school-room. They noticed how different parts of the story were chosen to be illustrated.

The children in Room 14, low and high fourth, are studying the boundaries of California.

The children in Room 15 are studying about textiles. Several children are giving reports on the clothing customs of early man. These topics are very interesting as the boys and girls are learning why people dress the way they do.

Local Firm Gets First Lot Of New Radios

Fulfilling its promise to "beat the field" with the first new radios for civilian use, the John Meck Industries, Plymouth, Indiana, today delivered the first radio to be received by Hopman Electric and Radio since the lifting of wartime restrictions. The set was sent by air express in order to get it to Daly City at the earliest possible moment.

It is a miniature five-tube table model, finished in white and red plastic, and has been named "The Trail Blazer." Styled by a leading New York designer, it incorporates entirely new concepts in radio engineering.

Although the set received is to be used for demonstration purposes only, the Meck company will produce it in sufficient quantities to permit immediate general sale, and orders are being accepted now.

The radio will be on display in the windows of Hopman Electric Co., 6299 Mission street.

Digitalis Plant Grown in U. S.

Digitalis, an indispensable heart medicine, formerly imported from Europe, can now be furnished from plants naturalized in the coastal sections of northern California.

Frozen Bowl

Don't pour boiling water into frozen toilet bowls. A sudden and extreme change in temperature is very likely to crack the vitreous china bowl.

Notice To Creditors

No. 12410

In the Superior Court of the State of California, in and for the County of San Mateo.

In the Matter of the Estate of ANNIE COSTA, Deceased.

Notice is hereby given by the undersigned administrator of the estate of Annie Costa deceased, to the creditors of and all persons having claims against the said deceased, to file them, with the necessary vouchers, within six months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Mateo, or present the same, with the necessary vouchers, within six months after the first publication of this notice, to the said administrator at 804 Hearst Building, San Francisco, California the same being the place for the transaction of the business of said estate.

Dated this 11th day of October, A. D., 1945.

PETER COSTA.

Arthur J. Healy, 804 Hearst Building, San Francisco, California, Attorney for Administrator.

First publication in Daly City Record, Oct. 18th, 1945. Pub. Oct. 18, 25; Nov. 1, 8, 15, 1945.

Shirt Wear
How long should a man's shirt last? Research has revealed that the lifetime of a shirt depends largely upon his habits and his beard, and that wear due to laundering is insignificant compared with the wear shirts receive in actual use. In the tests conducted by the American Institute of Laundering where wear and laundering were rigidly controlled, one man averaged 21 periods of wear for his shirts, while another one averaged 50 periods with shirts of the same fabric and make.

Certificate of Partnership Transacting Business Under Fictitious Name

No. 1319

KNOW ALL MEN BY THESE PRESENTS:

That we, the undersigned, FERDINAND NIGRA and CLARENCE PAGE, both of Daly City, California, do hereby certify and declare that we are partners transacting business in the State of California under the fictitious name, to wit, of KUSBER BROS. & PAGE.

That our principal place of business is situated at 2 Hillside Boulevard, in Daly City, San Mateo County, California.

That the names in full and residences of all the members of the said partnership are as follows:

Ferdinand Nigra, residing at 344 Westlake Avenue, Daly City, California.

Clarence Page, residing at 532 San Diego Avenue, Daly City, California.

DATED: October 13th, 1945. FERDINAND NIGRA, CLARENCE PAGE.

STATE OF CALIFORNIA)
City and County of) ss.
San Francisco)

On this 13th day of October, in the year 1945, before me, Louis Wiener, a Notary Public in and for the City and County of San Francisco, State of California, residing therein, duly commissioned and sworn, personally appeared FERDINAND NIGRA, and CLARENCE PAGE, known to me to be the persons whose names are subscribed to the within instrument, and duly acknowledged to me that they executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official Seal at my office in the City and County of San Francisco, State of California, the day and year in this certificate first above written.

(SEAL) LOUIS WIENER, NOTARY PUBLIC in and for the City and County of San Francisco, State of California.

(ENDORSED) FILED in the office of the County Clerk of San Mateo County, California, October 16, 1945.

W. H. AUGUSTUS, County Clerk.

By ROBERT DUFFY, Deputy Clerk. Dreher, McClellan & McCarthy, Attorneys at Law, 300 Montgomery Street, San Francisco, California. Published Oct. 18, 25; Nov. 1, 8, 15, 1945.

John Fitzgerald Now Home on 45-Day Furlough

Private First Class John M. Fitzgerald, son of Mr. and Mrs. John Fitzgerald, 761 Brunswick street has returned home on furlough from combat duty in Italy as a radio operator with the communication infantry platoon of the 91st Division.

Fitzgerald has been in the service approximately three years. He received his basic training at Camp White, Oregon. Two months of his 18 months overseas duty was spent in Northern Africa taking amphibious training for the Italian invasion.

He is entitled to wear the European theatre of operations ribbon, with three battle stars for participation in the battles of Rome-Arno, Northern Italy and Po Valley. He also has the combat infantry badge.

On October 29 at the expiration of his 45 day furlough he will report back to Camp Beale for discharge, he hopes, because at present he has 66 points.

Use Green Ones

If some of your immature green tomatoes are caught by early frost you can make use of them by stewing, frying, broiling, scalloping or baking them. They require about 10 to 15 minutes longer cooking than ripe tomatoes, and they have better flavor if about one tablespoon of sugar is added for six medium-sized stewed or scalloped tomatoes. If you stew them, add onions and celery. If you bake them, stuff them with a bread dressing. You can combine them with meat or fish. Use your green frost-caught tomatoes generously for a new-tasting flavor.

Protect Apples

About 35,000,000 pounds of lead arsenate are used annually to protect apples against the ravages of the codling moth.

Notice of Trustee's Sale

On Friday, the 2nd day of November, 1945, at 10:00 o'clock a. m. of said day, at Peninsula Title Guaranty Company, 2426 Broadway, in the City of Redwood City, County of San Mateo, State of California, CITY TITLE INSURANCE COMPANY, a California corporation, as trustee, will sell at auction to the highest bidder, for cash in lawful money of the United States, the following described property in City of Daly City, County of San Mateo, State of California, to wit:

Lot No. 33 in Block No. 2, as shown on that certain map entitled "Homestead Realty Co.'s Sub-division of Lots 140 to 153 inclusive, West End Homestead Association, Daly City, San Mateo County," filed in the office of the County Recorder of San Mateo County, July 31, 1912 in Book 8 of Maps at page 17.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Jerry A. Flood and Betty L. Flood, his wife, to City Title Insurance Company, a California corporation, as trustee for the benefit and security of Jose M. Malo and Matilda Malo, his wife, in joint tenancy, dated September 18th, 1944 and recorded in the office of the Recorder of the County of San Mateo, State of California, on September 23rd, 1944 in Volume 1140 of Official Records at page 232.

Notice of breach of said obligation and election to sell said real property was recorded in the office of the aforesaid Recorder on the 22nd day of June, 1945, in Volume 1191 of Official Records at page 203 thereof. This notice is given in compliance with the demand heretofore made on CITY TITLE INSURANCE COMPANY, a California corporation, as trustee, by Jose M. Malo and Matilda Malo, his wife, in joint tenancy, as beneficiaries under the aforesaid deed of trust.

Dated: October 3rd, 1945. CITY TITLE INSURANCE COMPANY, a California corporation, Trustee.

UNITED AIR LINES OFFERS JOBS TO WAR VETERANS

If you have just received your honorable discharge or are about to receive it, and are wondering what you are going to do in civilian life, you should consider the many opportunities United Air Lines offer men who are leaving the Armed Forces.

The fact is—your training and experience will help you "go places" in this rapidly growing industry. And there certainly is a future with United... expansion plans for the next five years call for operations three times as great as now.

Among the positions open today are station agents, ticket agents, clerical workers, stock clerks, supply men, cargo workers and many others.

To promote the welfare of its employees, United maintains an unusual program consisting of many benefits, services, and privileges.

Apply at United Air Lines—San Francisco, 421 Powell Street, or San Francisco Airport, Bayshore Blvd. at San Bruno Ave. Write if it is not convenient to call in person.

Regular meeting, Colma Vista Grande Aerie No. 1848, FOE, Little Italy hall, 6229-A Mission street.

P.G.&E. to Electrify Rural Areas by End of Late '46

Virtually all the farms and rural areas within the territory served by Pacific Gas and Electric company from the Tehachapi to Sasta county will be electrified by the end of 1946 or early the following year.

A. Emory Wishon, vice-president and general manager, recently announced the details of a \$6,000,000 line extension program to complete the company's rural electric network. Construction now is well under way and is being pressed forward as rapidly as shortages of manpower and materials permit.

The project includes more than 1,200 line extensions aggregating about 3,000 miles which will serve nearly 10,000 new customers on farms and in rural residential areas. Nearly all the extensions will be built in comparatively remote or isolated regions. The company already serves electricity to 91.4 per cent—approximately 75,000 of a total of 82,000—of the farms within the 46 counties in which it operates.

To obtain the skilled men required to put the rural extension project through with dispatch, the P. G. and E. conducted a special training school at its construction depot in Davis. The candidates, who attended at the company's expense, were employees of several classifications—groundmen, helpers, truck drivers and others. They were given two weeks of intensive instruction and practical experience in putting up poles and installing crossarms and insulators, rigging, handling and splicing all types of conductors, securing conductors to insulators, first aid and safety first. At the end of the course they went to work as apprentice linemen and, after they become proficient in the basic features of line construction, they will return to the school for advanced training.

Lorraine Perasso Weds E. J. Rigidini At OLPH Church

Our Lady of Perpetual Help church was the scene of the wedding of Miss Lorraine Perasso, daughter of Mrs. Albert Meincke, 439 Irvington street to E. Joseph Rigidini, recently discharged from the Navy.

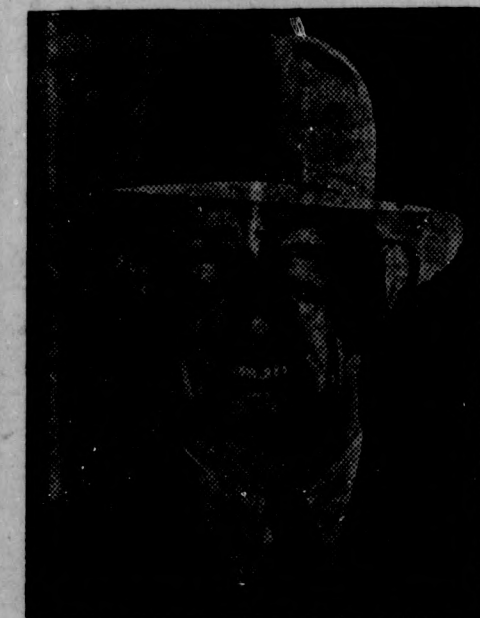

The ceremony, performed by Father Adrian McKenna, took place at 3:30 p. m. Sunday, October 14.

The bride, wearing a suit of French blue gabardine and hat of the same color was given in marriage by her brother Louis Perasso. She carried a prayer book with a spray of large white orchids and streamers.

The bride's niece, Dorothy Perasso, maid of honor wore a tan gabardine suit with brown accessories.

Extensive Canning
Nearly two-thirds of the nation's housewives did some canning or preserving of food at home last year.

UNDERGROUND HOME

GERMAN destruction forced Norwegians in eastern Finnmark to live for many months in underground huts. Now evacuated, these people are being restored to more normal life. American Relief for Norway, member agency of the National War Fund, has provided supplies for the people of Finnmark.

sories and a corsage of green orchids.

Best man duties were performed by the groom's brother-in-law Louis Rattaro.

The altar of the church was beautifully decorated with white gladioli, stock and asters.

A reception followed the ceremony for the immediate family and was held in the English room of the Palace hotel.

The newlyweds, Mr. and Mrs. Rigidini are honeymooning at Carmel.

The groom is the son of Mrs. Alice Rigidini, 419 Lisbon street, San Francisco.

License Jeeps

Iowa is one of the first states to classify the license status of the jeep, the much publicized army vehicle which civilians in increasing numbers desire to own. If owned by a civilian, the jeep in Iowa is classified as a commercial vehicle subject to truck license laws. The cheapest license for a jeep costs \$15, which means that the vehicle can be operated up to three tons' gross weight. As a truck, the jeep must carry three flares and be equipped with reflectors on each side and at the rear.

Repairing Leaky Brick Walls

When a brick wall admits rain or moisture due to deterioration of the mortar, the defective mortar joints should be repointed. The entire wall then can be painted with waterproof paint for added security, plus appearance.

PERMANENT JOBS FOR MEN WITH AIRLINE

Now that the war is over, you will want a permanent job with a real future. Here are positions open with United Air Lines at the San Francisco Airport:

President Truman Asks Support In War Chest Drive

War service has not ended with military victory, President Truman said recently in issuing an appeal for support of War Chest campaigns throughout the country.

"I don't need to tell that to anyone whose son is still serving in the occupation forces or with the service troops in this country," the President said. "For them, the war is still going on. That's why USO and USO-Camp shows and USO-Hospital shows must go on with the fine work they've been doing—until all our servicemen and women are back home with us again."

The President emphasized that returning veterans are looking forward to happy homes "in which their children can grow up the way they should. They are looking forward to living in a community which is concerned with the welfare of the citizens. They may not think of this in terms of a child welfare program, a family service society, a scout troop, a recreation program, a visiting nurse or a clinic. But these services, which in most of our cities are performed by agencies of the local Community Chest, help to determine the quality of living in their community. These are services from which everyone in the community benefits."

"The appeal of the War Chest and the local Community Chest is a human appeal for three causes—for continued friendly services for the men and women who still have a job to do in the armed forces; for health and welfare services for our own people at home and for relief and assistance for the war-stricken people of liberated countries—our Allies who fought by our side."

"We have won the victory of arms; now let us push on to greater conquests—to the total victory of human justice and decency and faith in mankind."

"Let us give abundant thanks to God in victory, through our generosity. Let us give generously to our War Chest victory campaign."

Public Invited To U. A. O. D. Whist

Madame V. Lombard and Jennie Milo, chairmen for the October whist to be given by Hillcrest Circle No. 143, UAOD, Monday evening, October 22 at Masonic hall, 17 Hillcrest drive, issue an invitation for all local card players to attend.

It should prove a very profitable and enjoyable affair.

A brief business meeting for members will precede the public whist party.

Improve Rations

Emergency rations include milk products to improve taste and food value.

Gentle Expression

ABRIDGED EDITION of autumn's liberated silhouette story of dresses appeals to petite CBS actress Lesley ("Adventures of Ellery Queen") Woods. Retaining the dramatic newness of sleeve freedom, moderately flaring skirt and tiny laced waistline, this royal blue crepe neatly sums up the softer styling for basic afternoon gowns.

Mrs. May Brewer Passes Away Oct. 12

Mrs. May B. Brewer, 139 Evergreen avenue, passed away in St. Francis hospital Friday, October 12 after a short illness.

Mrs. Brewer is survived by her husband, Edward Brewer; two sons and a daughter, Frank and Walter Brewer, and Mrs. Betty Anderson; also two grandchildren, Michael Brewer and Eugene Anderson.

Funeral services were held Monday, October 15 at 1 p. m. at the W. C. Lasswell and company mortuary and interment was at Cypress Lawn Memorial park.

Private Bernardi Is Awarded Bronze Star Medal

Private First Class Philip S. Bernardi, 21st tank battalion, U. S. Army was awarded the Bronze Star Medal for heroic achievement in connection with military operations against an enemy of the United States at Anweiler, Germany on March 22, 1945. Braving intense enemy small arms fire, Bernardi, tank driver, although himself wounded, courageously evacuated a wounded comrade. His exemplary conduct reflects great credit upon himself and the military forces of the United States.

Private Bernardi is the son of Mr. and Mrs. John Bernardi, 333 Peoria street. His wife and two children John and Philip Jr. live at the same address.

While in the vicinity of Pienres, France he was granted a 24 hour pass to visit his uncle Dom Bernardi, proprietor of the Central Cafe of that town.

In his last letter to his mother he stated he had requested permission to visit his grandmother, Mrs. Madalene Motta at Zurich, Switzerland. His captain informed him he could have a seven day furlough plus traveling time if agree-

Erling Eldrup Is Radio Tech. On Light Cruiser

On the USS Concord—Erling Eldrup, radio technician, second class, USNR, son of Mr. and Mrs. Severin Eldrup, 134 Woodrow street, Daly City, serving on this veteran light cruiser, took part in the initial occupation of northern Japan by units of the North Pacific force.

The Concord, which fired one of the final shore bombardment salvos of the war on the night of August 12, steamed through the heavily fortified Tsugaru Strait between Honshu and Hokkaido the morning of September 8, following a Jap coastal defense vessel through minefields cleared by American minesweepers.

Japanese pilots taken aboard four key ships of the American force helped direct the fleet to a safe anchorage off Ominato in Mutsu Bay, important northern base of the Jap Navy.

John James Lucas Dies of Heart Attack

John James Lucas, 175 West Moltke street, succumbed at his home Wednesday, October 10 from a heart attack.

He was the father of Martin T. and Walter J. Lucas, Mrs. Margaret Ruminski, Mrs. Anna Donaldson and Mrs. Elsie Watkins.

Funeral services were conducted from the mortuary of W. C. Lasswell and company, 6154 Mission street, Saturday, October 13 at 10 a. m. Interment was at Cypress Lawn Memorial park.

able with his higher officers.

Bernardi is also the proud possessor of the Presidential Unit Citation.

Passes Away at Home of Daughter

While visiting her daughter Mrs. T. F. Crosthwaite, 1209 Brunswick street, Mrs. Rose Anna Friedman of Los Angeles became ill and suddenly passed away at the St. Francis hospital on October 14.

The remains were shipped to Los Angeles for interment.

Two other children besides the daughter in Daly City survive her.

Nazarene Officers And Teachers Enjoy Banquet

The teachers and officers of the Grace Nazarene Sunday school met Tuesday, October 9 at the home of Mr. and Mrs. Hezron Miller, 271 Irvington street, for their annual banquet.

A 20-pound turkey with all the trimmings was served.

In attendance were Reverend and Mrs. D. C. McKisson and daughter, Verne Mae, Mrs. Grace Wheeler, Sunday school superintendent, Mr. and Mrs. J. K. Hawthorne, Elsie Hosea, Mrs. Leo Lemon, Mr. and Mrs. A. P. Mills, Mrs. Helen Edminster, Clifford Spriggs, Miss Shirley Miller.

Plans were made for extensive Sunday school activities for the next few months. One of the discussions of the meeting is the beginning of a Sunday school survey throughout Daly City and Colma.

Old Levees

Ancient mounds along the banks of the Mississippi river were manufactured by the Indians as retreats during flood seasons.

Vesper Choir to Sing on Oct. 21 at Grace Presbyterian

The Vesper Choir of the Grace Presbyterian church, Hanover street and Evergreen avenue will make its first appearance Sunday evening, October 21. Jack Kennedy will be the accompanist and Miss Gertrude Harberts the director.

The public is cordially invited.

The following officers were elected at the meeting of the Vesper Choir last Sunday evening. Audrey Tilson, president; Beatrice Cassasa, vice-president; Carolyn Moore, secretary and Jack Kennedy, treasurer.

The following officers were elected for the High School Fellowship: Ernest Oertle, president; Pat Colby, vice-president; Jeanet Murrery, secretary and Ann Whorley, treasurer.

The second session of the Sunday school hour at 11 o'clock under the direction of Mrs. Dorothy Coulthard and Mrs. H. Adami welcomes children of the beginners department to attend, especially those whose parents attend the church service. New members are being enrolled every Sunday.

Names the Dormoys As Beneficiaries

Celestina Chartin Loupiac previous to her passing away on June 3, 1945 prepared a deed of gift, naming as her beneficiaries Peter M. and Berdellia C. Dormoy, 40 Mission circle, her life long friends.

Protect Precious Eyesight

See your nearest lamp bulb dealer today. Get the bulbs you need to protect your family's eyesight.

Fill Empty Sockets — Put in Right Size Bulbs for Easy Seeing

Tonight, look around at the lighting in your home. If a lamp or lighting fixture seems dim, look at the light globe. If it is darkened with age and use, it is not giving you the light you are paying for and will soon burn out. Then count the empty sockets and the small-size bulbs that were put in temporarily some time ago.

Make a list of the lamp bulbs needed to restore bright, new lighting throughout your home. Take this list with you when you go shopping. You will find the lamp bulb supply is now plentiful. Good lighting is inexpensive. Use plenty of it.

Living Room. Protect your family's eyesight. 150-watt bulb is right size for many reading lamps.

Kitchen. For that overhead light in the kitchen you need at least 150-watts. Be sure you get right size lamp bulbs.

Child's Study Lamp. Young eyes are too precious to risk. Be sure you get a 150-watt bulb for your child's study lamp.

Recreational Travel Bill

Our annual prewar recreational travel bill amounted to six billion dollars, with motorists responsible for more than 80 per cent of the total. The hotel business normally receives 28 cents of every travel dollar spent and the present travel repression logically will result, after the war, in the greatest investment of travel dollars in the history of our country.

Dried Whole Eggs

Scientific tests concluded recently by food research specialists of the department of agriculture show that good quality spray-dried whole eggs stored for as much as a year at cool temperatures compare favorably with fresh eggs in flavor and cooking qualities.

White Barn

When painting a red barn white, it is suggested that the first coat be tinted gray, just dark enough to cover the red well. It is stated that a little experimentation will determine that a moderately light gray will do this. When this coat is thoroughly dry, apply a coat of white. If the gray coat was not too dark, the white should cover it. If it doesn't, a third coat of paint should be applied, but should be rarely necessary.

Improves Flavor

The flavor of a fruit salad or a fruit cocktail is greatly improved by the addition of a little lemon juice. For a good vegetable salad dressing, too, you can hardly find a substitute for lemon juice flavor.

Oven Racks

Always place oven racks in position before preheating the oven. Plus being easier to handle when cold, it's wasteful of heat to leave the oven door open while adjusting hot oven racks.

Establish Chaplains

It was not long after the first mustering of American army that the office of chaplain became a regularly established position in its organization. In many engagements, clergymen joined their parishioners to be present with religious ministrations. Their services were formally recognized and honored and the office of chaplain legally established when the Continental Congress on 29 July 1775 included a rate for chaplains in its schedule of pay for all services.

Hotel Profits

An analysis of the industry as a whole shows that operations of transient hotels have been relatively the most profitable in recent years. In 1940, resort hotels were first in point of net profits as related to sales income, residential hotels were second and the transient group third. In 1943, transient hotels were well in the lead. The residential group has been first in percentage of room occupancy, but the transient houses reported a larger increase in room rates.

Humany

The military victory has been won, but there
another victory still to be won—a victory for
manity.

Millions of our armed forces are still overseas
many more are at bases within the country. Ma
of them will be still in service for months, ev
years. Thousands are in hospitals, at home a
overseas, maimed, broken, blinded, because th
helped to win that military victory. For all of the
the victory that must now be won is the victo
over boredom and neglect. The morale buildi
services of U.S.O. made possible by the War Che
must be continued!

Thousands of seamen are still delivering suppl
and personnel overseas. For them the victory th
must now be won is the victory over boredo
neglect, family difficulties, and the evils of w
torn ports in the far corners of the world. A W
Chest agency looks after their welfare.

Coffee Blend

HAUGHTY DIRECTOIRE
LINES of Stetson's ageless felt, worn by CBS actress Mary ("Strange Romance of Evelyn Winters") Mason, are accented in autumn's new color team—black grosgrain head band against coffee brown base. The soft brim curves downward in turban fashion to defy high winds and give significantly longer lines to this head-fitting accompaniment for black or brown suits and coats.

Ear Discriminate
The human ear can distinguish an estimated 500,000 different tones.

Mulching Garden
Mulching the vegetable garden will help conserve the moisture in the soil, keep plants from drying out and aid in keeping down weed growth.

Peaches Contain Vitamin C
Peaches offer fair amounts of vitamin C and, in addition, yellow peaches offer vitamin A. Because they are naturally sweet, peaches need little sugar when canned.

B.F. Goodrich

TIRES

Linear Influence

GOBLET NECKLINE of the black crepe, designed for CBS singing star Ginny Simms by Irene of Hollywood, creates special interests atop a neatly tailored two-piece dress for late afternoon festivities. A self-trim of fine leaf applique on the beltless bodice breaks the slim silhouette which features slit skirt front and slightly dipping back hemline—important details of autumn's discreet contour change.

Lose Food Value
Shredded vegetables may lose more food value in cooking than whole ones do. Cut the vegetables into as large pieces as are practical to get them done.

ask for Dick Nyhan.**Pure Organic Compound**

Sugar is the pure organic compound produced in largest quantity in the United States, according to Chemical and Engineering News. Production of sugar is 22 times that of total production of coal-tar intermediates, while 75 times more sugar is produced than isopropyl alcohol. Other pure organic compounds produced in lesser quantities in the United States for use in industry are aniline, phthalic anhydride, formaldehyde, phenol, coal-tar dyes, and glycerol.

Shirt Starch

A stiff starch for men's shirt collars and cuffs can be made by adding borax to the mixture. Use ¼ cup of starch, ½ cup of cold water, 1 quart of boiling water, ¼ tablespoon of borax and ¼ tablespoon of lard or ¼-inch square of paraffin. Mix starch with cold water. Add boiling water. Stir in other ingredients. Cook slowly for 30 minutes, stirring frequently.

Figs Nutritious

Figs — fresh, plain, canned or dried—have a high caloric content, are excellent sources of iron and calcium and have long been recommended for their laxative properties.
